Debasis Tripathy
Aspiring Full-stack web developer

Adaptable and responsible web developer capable of writing production-ready code using HTML5, CSS3, JavaScript, React.Js on the front-end and NodeJs, Express.Js on the back-end to build single-page applications. Looking forward to work in a fast-paced environment and playing a key role in a company's growth. Hope to work in a challenging environment as a specialised MERN stack developer.
